

PHYSICS / INSIDE OUT

June 25 - 28, 2024

**Four days of physics
for current grade 7/8
students!**

There is no cost to participate!

Acceptance based on current science teacher recommendation, student written responses and number of applications received. Space is limited.

Dates: T-F June 25-28, 2024

Where: Purdue Physics (West Lafayette)

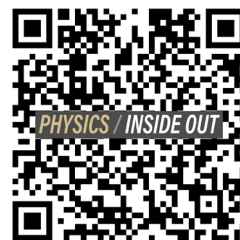

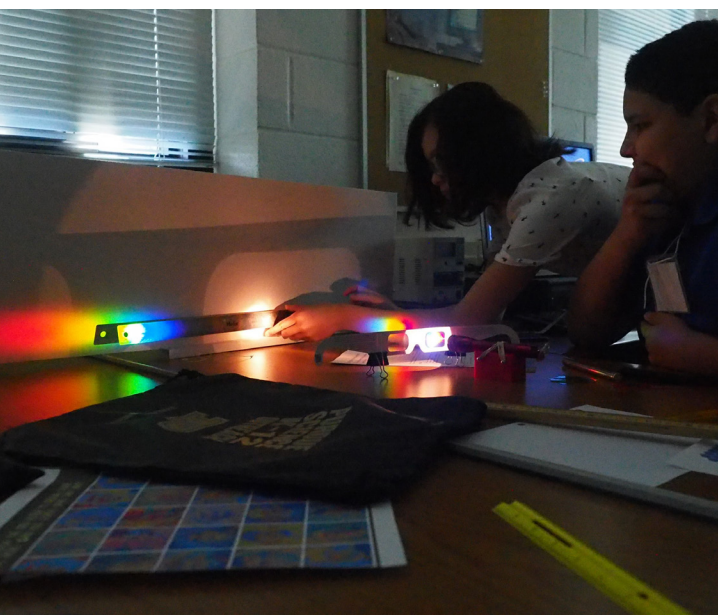

Times: 9:15 AM to 3:30 PM daily

Lunch in Purdue University Dining Courts

What can you expect?

- ⇒ Make cool stuff and do cool experiments
- ⇒ Explore physics from nano to astro
- ⇒ Tour labs and meet the experts
- ⇒ Learn about careers in physics and astronomy
- ⇒ On campus in person!

Register before May 1, 2024
